Theme song

## **1st Chorus**

We are the children, We stand together  
We sing with one voice, We sing for you  
We are the children, We are the future.  
One voice together,  
Don't you know what one big voice can do.

## **Verse 1**

We stand before you  
Our voices one  
Sharing the joy, sharing our song,  
From many lands  
we have all come;  
**Today we stand, together as one.**

## **Chorus**

We are the children  
We stand together  
We sing with one voice.  
We sing for you  
We are the children  
we are the future.  
One voice together,  
Don't you know what one big voice can do...

## **Verse 2.**

We sing of hope,  
We sing of peace,  
We celebrate in harmony  
We sing out strong,  
**Our hearts or full, we sing our song, we sing for you.**  
**Chorus x2**
